

# Vertical Compactor

The smart choice for:  
Restaurants  
Grocery stores &  
Apartments complexes

[CompactorMC.com](http://CompactorMC.com)

Compactor Management Company's Vertical Compactor is a completely customizable self-contained compactor specifically designed for businesses who wish to reduce their waste hauling expenses while maintaining maximum floor space.

Because it is Self-Contained, the Vertical Compactor replaces unsightly dumpsters, and open top containers, while at the same time preventing trash pilferage and unauthorized use.

Rental and leasing programs offered!
